

Agreement to serve as a Calontir Group Marshal or Marshal of the Field

On Being a Marshal:

The Marshallate of this Kingdom and the Society as a whole exists to serve the fighters of the SCA. The Marshals are on the field to help the fighters safely engage in mock medieval combat and any Marshal should keep in mind that all our rules and regulations are designed toward that purpose. The general safety of every person attending an SCA Event is also a responsibility of the Marshallate. Anyone interested in becoming a Marshal needs to understand the responsibilities and differences of the various types of Marshals as outlined in the Calontir Marshals Handbook.

Reporting Requirements:

All Group Marshals and Marshals of the Field are required to submit Quarterly reports to the Kingdom Earl Marshal. Failure to do so will result in loss of Marshalling privileges. Group Marshals also need to submit a copy of their reports to their local Seneschal. If your group does not have a Marshal, the Seneschal must send Quarterly Reports to the Earl Marshal. Group Marshals who are not yet warranted may not serve as Marshal-In-Charge of an SCA event. Group Marshals and Marshals of the Field are required to be Authorized Marshals and SCA members before they may be warranted.

Send a copy of the Calontir Group Marshals Status Report Form to the Deputy in Charge of Cards. Send a letter style report to the Earl Marshal.

Report due Dates:

- 1st Quarter - April 15th
- 2nd Quarter - July 15th
- 3rd Quarter - October 15th
- 4th Quarter - January 15th

By sending this information to the Earl Marshal, you are agreeing to make every effort to meet the requirements of being a Warranted Marshal as listed above and in the Calontir Marshals Handbook.
