Summary of the Court:

Case Review: Gabriel the Bold

A Marshal's Court was held involving Gabriel at the 12th Night event in the Barony of Lonely Tower in January, 2004. At that time, various sanctions were applied to Gabriel and he was given a list of issues to work on. However, in the six months following that time Gabriel has not been active in SCA combat.

The Court is in agreement that Gabriel's fighting authorization has officially lapsed and that he will be required to re-authorize. In addition, he will still need to work on the issues outlined in the earlier Marshals Court. Sir Semjaka has offered to write a letter to Gabriel to try to encourage him to return to fighting. The Court would also like to see a member of the Chivalry sponsor Gabriel and work with him if he returns.

Case Review: His Grace Sir Martino Michel Veneri

At Lilies War in June, 2003, complaints were received by the Earl Marshal (Sir Siridean) regarding His Grace. At a meeting on July 2nd, 2003, various sanctions were applied to HG Martino by the Earl Marshal, to be reviewed at a later date. At the 12th Night Event in January, 2004, the Quarter Court reviewed and amended but ultimately upheld these sanctions. His Grace's sanction period was set to end at the end of Lilies War 2004 assuming all conditions of said sanctions were met.

There was a Marshals Court held at Lilies 2004 regarding His Grace but it was determined at that time that this was a "Non Incident" and would not effect his sanctions.

For the Court's review, the Earl Marshal (Syr Tarl) provided a record of HG Martino's activity during his sanction period, and his efforts to comply with his sanctions.

The Court has reviewed the conditions of His Grace's sanctions and his efforts to meet these conditions and is in agreement that His Grace has met his obligations. His Grace Martino is hereby no longer "On Repot" or under any sanction and is granted a "clean slate".

Definition: Clean Slate: All previous incidents and levied sanctions have been resolved to the Marshallate and individual's satisfaction.

General discussion:

After the cases above were reviewed, the members of the Court and the other individuals present then engaged in open discussion of various subjects involving the Marshallate.

There was some discussion in regards to amending the Greivance Process as outlined in the Society Marshals handbook and also the need for making sure the general populace is informed of the scheduling and results of Marshals Courts and Quarter Courts.

There was also some discussion of defining and codifying the requirements and customs for training new Marshals (MITs). The above issues to be resolved at a later date.
